

The Missouri State Fair Foundation

is an independent, not-for-profit 501(c)3 entity dedicated to preserving the rich heritage and traditions of the Missouri State Fair.

Why a Foundation?

- Because we want future generations to enjoy the rich heritage and traditions of the Missouri State Fair;
- Because the State Fair needs additional funds to construct new buildings and renovate existing buildings;
- Because we want to provide friends of the Missouri State Fair with a variety of giving opportunities to help support this great Missouri family tradition.

"Preserving, improving, and perpetuating the rich heritage of the Missouri State Fair for future generations"

Our Missouri State Fair is more than Missouri's premier agricultural event. It is a showcase of the "best" of our great state. It is a celebration focused on blue ribbon excellence.

It is a family tradition with more than 100 years of experience in providing Missourians with quality education, competition and entertainment.

It is a place where blue ribbon memories are made.

Will you join us?
